OF THE CZECH REPUBLIC

PROGRAMME

12 December 2018

University Campus Bohunice, Pavilion A17, 4th floor, room 432
European Joanna Briggs Collaboration Directors meeting (Closed session)

13 December 2018

Hotel Continental, Kounicova 680/6, Brno

Time	Speaker	Title	Affiliation
8:30–9:15		Registration / Coffee	
9:15–9:30	Miloslav Klugar	Conference opening	
Session 1: Methodology of clinical practice guidelines and systematic reviews <i>Chairs: Jitka Klugarová, Andrea Pokorná</i>			
9:30–10:10	Holger Schünemann <i>Main keynote speaker</i>	Unpacking the evidence that informs expert opinion: collecting evidence from experts transparently for trustworthy guideline recommendations	Director of Cochrane Canada and McMaster GRADE Centre (Canada)
10:10–10:35	Miloslav Klugar	Czech national project „Clinical Practice Guidelines“ methodology and current results	Director of Czech EBHC JBI centre of excellence, Cochrane Czech Republic, Masaryk University GRADE centre and CEBHC-KT
10:35–11:00	Kay Cooper	Incorporating qualitative evidence in clinical practice guidelines: a Scottish perspective	Director of the Scottish Centre for Evidence-Based, Multiprofessional practice: A Joanna Briggs Institute Centre of Excellence (Scotland, UK)
11:00–11:25	Catrin Evans	Establishing confidence in the findings from qualitative evidence synthesis: reflections on ConQual and CerQual	Co-Director of the Nottingham Centre for Evidence-Based Healthcare: A Joanna Briggs Institute Centre of Excellence (UK)
11:25–11:50	Magdalena Wladysiuk	HTA in relation to systematic reviews and clinical practice guidelines	Vice President of HTA Consulting (Poland)
12:00–13:00		Lunch	

Time	Speaker	Title	Affiliation
13:00–14:36		Concurrent sessions	
13:00–13:48		Session 2: Evidence synthesis	
13:00–13:48		Session 3: Epidemiological analysis in CPG	
13:48–14:36		Session 4: Evidence-based healthcare methodology	
13:48–14:36		Session 5: Testing of evidence-based healthcare tools	
14:36–15:00		Coffee break	
		Session 6: Importance of evidence-based healthcare in decision making <i>Chairs: Holger Schunemann, Miroslav Ryska</i>	
15:00–15:25	Miroslav Ryska	Pancreatic cancer – place of clinical practice guidelines	President of Czech Health Research Council, Military University Hospital Prague (Czech Republic)
15:25–15:50	Arja Holopainen	Evidence-based practices in Finland based on nurse professionals' descriptions	Director of the Finnish Centre for Evidence-Based Healthcare: A Joanna Briggs Institute Centre of Excellence (Finland)
15:50–16:15	Gerd Antes	Knowledge synthesis and implementation - the huge challenges of today and tomorrow	Former director of Cochrane Germany
20:00		Gala dinner	
		Concurrent sessions	
13:00–13:45		Session 2: Evidence synthesis <i>Chairs: Jana Marečková, Catrin Evans</i>	
13:00–13:12	Sakineh Hajebrahimi	Smart screening of prostate cancer: A new update	Director of the Iranian Evidence-Based Medicine Center of Excellence (Iran)
13:12–13:24	Jitka Klugarová	The association between mode of birth delivery and attention deficit–hyperactivity disorder: A systematic review protocol of epidemiological evidence	Deputy Director of Czech EBHC JBI centre of excellence, Cochrane Czech Republic, Masaryk University GRADE centre and CEBHC-KT
13:24–13:36	Kathryn Hinsliff–Smith	What new challenges might we face as we support our international colleagues, and students, to publish their reviews?	Nottingham Centre for Evidence-Based Healthcare: A Joanna Briggs Institute Centre of Excellence (UK)

Time	Speaker	Title	Affiliation
13:36–13:48	Lyndsay Alexander	Conducting initial telephone consultations in primary care: A scoping review	Scottish Centre for Evidence-Based, Multiprofessional practice: A Joanna Briggs Institute Centre of Excellence
13:00–13:45	Session 3: Epidemiological analysis in CPG <i>Chairs: Joao Aposolo, Jo Leonardi-Bee</i>		
13:00–13:12	Tomáš Nečas	Epidemiological analyses for preparation of Clinical Practice Guidelines related to Acute Coronary Syndromes in the Czech Republic	Czech National Centre for Evidence-Based Healthcare and Knowledge Translation (Czech Republic)
13:12–13:24	Radim Líčeník	Epidemiological analyses to inform Stroke Clinical Practice Guideline Development in the Czech Republic	Czech National Centre for Evidence-Based Healthcare and Knowledge Translation (Czech Republic)
13:24–13:36	Andrea Pokorná	Epidemiological analyses for Clinical Practice Guideline focused on the diabetic patients treated with insulin	Czech National Centre for Evidence-Based Healthcare and Knowledge Translation (Czech Republic)
13:36–13:48	Jan Mužík	Epidemiological analyses to inform an early stage of Colorectal Carcinom Clinical Practice Guideline development in the Czech Republic	Czech National Centre for Evidence-Based Healthcare and Knowledge Translation (Czech Republic)
13:00–13:45	Session 4: Evidence-Based Healthcare methodology <i>Chairs: Bridie Kent, Catrin Evans</i>		
13:48–14:00	Radim Líčeník	Development of Czech National Stroke Guidelines	Czech National Centre for Evidence-Based Healthcare and Knowledge Translation (Czech Republic)
14:00–14:12	Julie McGarry	Evaluation of an evidence based model of safeguarding clinical supervision within one healthcare organisation in the United Kingdom	School of Medicine and Health Sciences, University of Nottingham (UK)
14:12–14:24	Jana Marečková	Pilot project: Evidence-based methodology in education of future teachers	Faculty of Education, Palacký University Olomouc (Czech Republic)
14:24–14:36	Grzegorz Proszczuk	Online resources from Wolters Kluwer OVID for supporting clinical decisions – Visual DX, Lippincott, databases	Wolters Kluwer
13:00–13:45	Session 5: Testing of Evidence-Based Healthcare tools <i>Chairs: Kay Cooper, Radim Líčeník</i>		
13:48–14:00	Ana Filipa Cardoso	Feasibility, appropriateness and meaningfulness analysis of the Sunfrail Tool to the European Portuguese population during cross-cultural adaptation process	Nursing School of Coimbra (Portugal)

Time	Speaker	Title	Affiliation
14:00–14:12	Joanna Zając	Public media as a tool for dissemination of evidence based information	Cochrane Poland (Poland)
14:12–14:24	Petra Mandysová	Slipping through the cracks: unilateral neglect assessment	Faculty of Health Studies, University of Pardubice (Czech Republic)
14:24–14:36	Dušan Krstić	Evidence-based clinical reference tools for improvement of healthcare	EBSCO

14 December 2018

Hotel Continental, Kounicova 680/6, Brno

9:00–9:30 Registration / Coffee

Session 7: Evidence implementation

Chairs: Kay Cooper, Jef Adriaenssens

9:30–9:55	Bridie Kent	Implementing research findings into practice: Frameworks and guidance	Director of the University of Plymouth Centre for Innovations in Health and Social Care: A Joanna Briggs Institute Centre of Excellence (UK)
9:55–10:20	Teresa Moreno-Casbas	Getting guidelines into practice: lessons learned as best practice spotlight organization host	Director of the Spanish Centre for Evidence-Based Nursing and Healthcare: A Joanna Briggs Institute Centre of Excellence (Spain)
10:20–10:45	Judith Carrier	Implementing evidence in local and global contexts	Director of the Wales Centre for Evidence Based Care: A Joanna Briggs Institute Centre of Excellence (Wales, UK)
10:45–11:10	Heather Loveday	The evidence for infection prevention and control – problems of design and implementation	Director of the University of West London Centre for Evidence-Based Healthcare: A Joanna Briggs Institute Centre of Excellence (UK)
11:10–11:30		Coffee break	
11:30–11:55	Carmen Mazilu	The evidence-based implementation in nursing practice in the Romanian context	Director of the Romanian Centre for Evidence Based Nursing: A Joanna Briggs Centre of Excellence (Romania)
11:55–12:20	Malgorzata Bala	Guideline adaptation in Poland - first step in evidence implementation	Director of Cochrane Poland (Poland)

Time	Speaker	Title	Affiliation
12:20–13:20	Debate	The role of systematic reviews in policy making	
		For: The team „for“ argues that systematic reviews should always be used in policy making Kay Cooper (Scotland), Teresa Moreno-Casbas (Spain), Geurden Bart (Belgium)	
		Against: The team „against“ will argue against this motion, that systematic reviews are not always appropriate in policy making Jo Leonardi-Bee (UK), Heather Loveday (UK), Joao Apostolo (Portugal)	
13:20–14:20		Lunch	
		Session 8: Evidence synthesis and clinical practice guidelines in prostate cancer and testicular cancer <i>Chairs: Judith Carrier, Teresa Moreno-Casbas</i>	
14:20–14:45	Marek Babjuk	Clinical evidence and treatment recommendations in the treatment of localized and locally advanced prostate cancer	Chairman of the Department of Urology on 2nd Faculty of Medicine of Charles University, Prague (Czech Republic)
14:45–15:00	Deborah Edwards	Men's perceptions of the impact of the physical consequences of a radical prostatectomy on their quality of life: a qualitative systematic review	The Wales Centre for Evidence Based Care: A Joanna Briggs Institute Centre of Excellence (UK)
		Session 9: Education in evidence-based approach in clinical practice guidelines and evidence synthesis <i>Chairs: Miloslav Klugar, Jana Marečková</i>	
15:00–15:25	Joao Apostolo	Evidence-based practice educational program: a Portuguese experience with undergraduate nursing students	Deputy Director of the Portugal Centre for Evidence-Based Practice: A Joanna Briggs Institute Centre of Excellence (Portugal)
15:25–15:50	Jef Adriaenssens	The Belgian EBP Program: network governance to improve efficiency and effectiveness of EBP uptake	Deputy Director of the Belgian Interuniversity Collaboration for Evidence-Based Practice (BICEP), Belgium: A Joanna Briggs Institute Centre of Excellence (Belgium)
15:50–16:15		Best presentation award and closing ceremony	

15 December 2018
